

WELCOME

to the

***“Performing
Quality Molecular
and Emerging
Technology
Testing”***

Workshop

Microbiology Diagnostic Testing is Changing

- **Are you ready for the future?**
- **What role do molecular or emerging technology diagnostics play in your lab?**
- **Let your colleagues show you where and how molecular diagnostics can work in your laboratory!**

Thank You

- **LabTAG**

- For all your support and guidance in planning this conference

- **Speakers and Panelists**

- For sharing your knowledge and molecular expertise

Thank You

- **APHL**

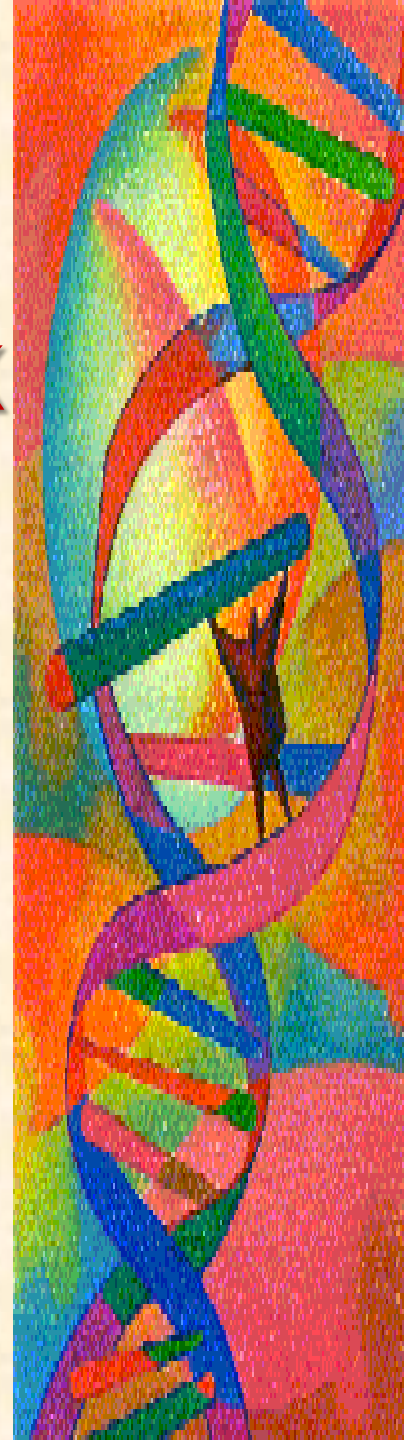

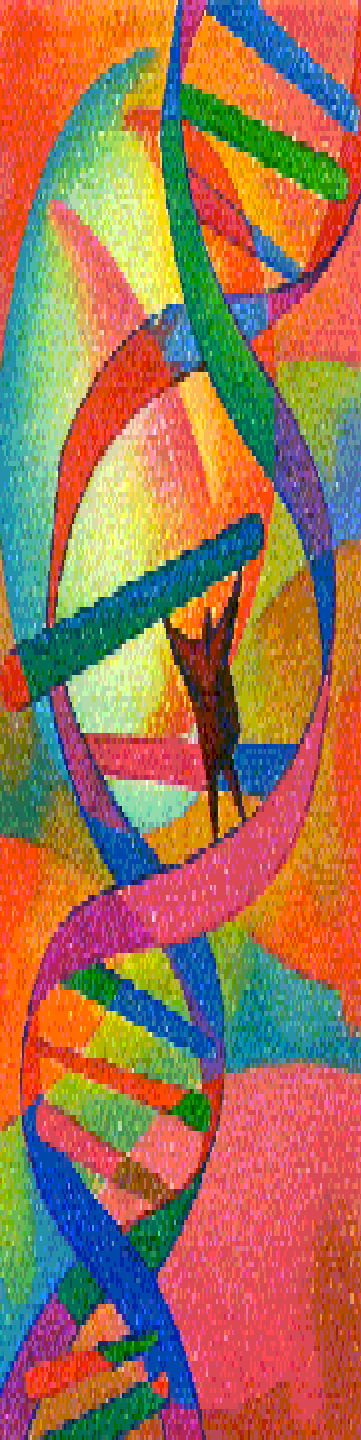

- For providing the grant funding to purchase the CLSI resource documents and to host today's workshop.

- **WI Clinical Laboratories**

- For your participation in today's workshop

Happy Medical Laboratory Professionals Week

Give yourselves a hand!

We hope you enjoy the day!
