eUpdate

A Weekly Summary of Funding, Training, Advocacy and Member News.

www.aphl.org

LAB MATTERS

is the only publication targeted to decision-makers in government funded public health, environmental health and agricultural laboratories. The aggregate budgets of these laboratories top \$1 billion per year, with over 150 million laboratory tests performed annually. With the advent of our digital *Lab Matters*, the readership includes not only the members and partners of APHL, but also anyone who is interested in public health and laboratory related content. Our digital issues average over 12,000 page views per edition.

This all adds up to you, as an advertiser, receiving more dynamic and effective ways to engage and connect with customers for your products and services. Take advantage of this unique advertising opportunity today! Contact Ben Moyer at ben.moyer@aphl.org now!

Lab Matters Digital

So what does the digital edition offer you?

- **New Real Estate:** Banner and button ads, cover sponsorships, blow-ins, belly bands and more—the digital edition offers unique advertising real estate strategically positioned to capture the attention of prospects.
- **Multimedia:** If you're trying to explain sophisticated instrumentation or a complex assay, one video can be worth a thousand lengthy explanations. You can also embed audio, slide shows and more.
- **Mobile and "Airplane" Access:** Mobile access puts your product in the pocket of your customers. Even when your customer is in the air, she can still view your ad offline.
- **Links:** No more searching for URLs: Links drive traffic to your website and sales materials.
- **Social Networking:** Integrated social media and email applications make it easy for readers to share hot products with colleagues.
- **Searchable, Online Archive:** A searchable, online archive keeps your ad alive long after the publication date.

Lab Matters Mobile App

Now readers can enjoy *Lab Matters* on the go! The *Lab Matters* mobile app is now available for smartphones and tablets. Anyone can download it for free from mobile app stores (available for iPhone, iPad, Android devices, and Amazon Kindle Fire). **Mobile App features include:**

- **Replica format, just like the print edition**
- **Text-formatted articles for maximum mobile readability**
- **Easy navigation**
- **Bonus material: Videos, slideshows and more**
- **Notifications when a new issue is ready**
- **Searchable library of available back issues**
- **Offline access to articles**
- **Bookmark, save and share articles**
- **Public health RSS feed for between-issue updates**

Bells and whistles not required

So what if you don't have a digital ad ready for the next issue of *Lab Matters*? Don't worry: your tried and true print ad will be digitized automatically, making all URLs and email addresses live. You get the benefit without any additional effort.

89% rate the publication as consistently valuable and worth the time to read.

www.aphl.org/labmatters

eUpdate is APHL's primary publication for timely announcements on funding, programs, initiatives, training and news from members, partners and public health. As such, the membership relies highly on this email newsletter, delivered every thursday afternoon to all APHL members and partners. **eUpdate** has maintained a loyal, steady readership rate for years, and a good click-through rate that has improved in the past year.

APHL offers a **unique advertising opportunity** for purchase in **eUpdate**:

- Only one advertisement is available per edition.
- The ad includes up to 100 words of text, a hyperlink or email contact and one image or graphic.
- The advertisement will appear at the beginning of the copy and will be set apart from the content and titled "Feature Advertisement."

Cost

\$500 for insertion in two editions, with dates chosen by advertiser or open dates assigned by APHL Communications staff.

Submission

Submitter must provide actual ad copy, and provide specific dates on which ad should appear (please give at least 2 weeks lead time). Also include contact information for submitter, and to whom invoice should be sent.

More Information

For more information about advertising, sponsoring or becoming a sustaining member of APHL, contact Lori Richardson-Parr, Sr. Specialist, Corporate Relations at lori.richardson-parr@aphl.org or 240.485.2792.

Featured News

Upcoming Workforce Surveys – We Need Your Help

Be on the lookout for two Workforce Characterization and Enumeration surveys, scheduled to launch April 1. The surveys, created jointly by the Workforce Development Committee and the Michigan School of Public Health, are designed to capture a broad picture of the public health laboratory workforce. The first survey will capture organizational data about laboratories, and the second solicits data from individual laboratorians. The surveys are part of an initiative to enumerate the public health laboratory workforce—your response is critical. Questions regarding survey content may be directed to Deborah Kim at 240.485.2742 or deborah.kim@aphl.org. For questions on survey navigation, please contact Doug McNamara at 240.485.2705 or doug.mcnamara@aphl.org.

These corporations partner with APHL to support our public health laboratory system.

TERMS AND CONDITIONS

APHL reserves the right to decline or reject any advertisement for any reason. Acceptance of an advertisement does not mean endorsement by APHL. APHL will not knowingly accept any advertising that does not meet government regulations. Rates are subject to change. No cancellations will be accepted after deadline date. Advertiser agrees to purchase advertising space in *Lab Matters* or *eUpdate* in the size, frequency and rate shown on this form. The rate is based on the number of insertions and payment may be requested upon receipt of insertion order. Invoices for advertisements not paid on receipt of insertion order are mailed upon publication of the advertisement. Payment is due within 30 days of invoice.

I agree to the terms above.
